## INTRODUCTION

The Nevada Junior Livestock Show is held under the supervision of the Nevada Junior Livestock Show Board in accordance with the Nevada Revised Statutes. The Board makes and enforces all rules for the Show. Throughout the rules, "Board" refers to the Nevada Junior Livestock Show Board and "Show" includes the Nevada Junior Livestock Show and Sale.

The purpose of the Nevada Junior Livestock Show is to provide an opportunity for 4-H and National FFA Organization (FFA) members to exhibit their livestock projects before the public; thus promoting and providing the incentive for achieving excellence in livestock production, skills and practices. Such achievement and participation in the Show encourages sportsmanship, leadership, citizenship and responsibility of the highest order in the members.

Through the judging and placing of entries, modern livestock market standards are outlined and the education of members, leaders/advisors and parents regarding livestock industry trends is made possible.

As a part of the show, the Board offers a livestock Sale for Market animals.

## GENERAL RULES APPLICABLE TO ALL EXHIBITORS

### Interpretation and Enforcement:

The Board and Show Management reserve the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of, or connected with, or incident to, the Show. Counties may have additional eligibility requirements recognized and supported by the Board provided there is no conflict with Show Rules. An exhibitor who violates any Show rule will be subject to expulsion from the Show and loss of any awards. Future participation in the Show will be at the discretion of the Board. Any dispute or question with regard to decisions of Show Management must be presented to the Grievance Committee in the appropriate manner.

### Rule Review/Development:

The Board will review the NJLS Rules bi-annually in the fall. The Board will solicit Rule suggestion from the public after every Show. A Committee, formed by the Board, will evaluate these suggestions and forward recommended changes to the Board. The Board (at one of its Fall/Winter Meetings) will review, modify and vote on the changes. Rule changes approved by the Board will be included in the next set of NJLS Rules.

### Grievance Committee:

All grievances must be made in writing and accompanied by a deposit of \$50.00, which will be forfeited if the grievance is not sustained. This deposit is to cover administrative costs in handling the grievance. Grievances must state plainly the cause of complaint or appeal, with specific charges and recital of the facts relied upon or the rule violated, naming witnesses and their addresses from which information is to be obtained. Any dispute or question regarding rules and Show Management decisions must be in the form of a written protest signed by the exhibitor and presented to Show Management within **two hours** of the time of the action or questioned incident. The grievance must include an indication of what resolution the offended party requests, should his/her grievance be upheld. The protest will then go to the Grievance Committee. The Grievance Committee will consist of one representative from each county participating in the Show and one Youth Advisory Council Representative. Names of persons to serve on the Grievance Committee for the current year must be submitted by each County to the Board prior to the Show. The Grievance Committee will make a recommendation to Show Management. Show Management will make a ruling at that time which will be effective and binding through the remainder of the Show until the next Board Meeting. All grievances (and decisions made by Show Management) will be reviewed at that Board Meeting.

### Liability:

All entries are accepted with the understanding each exhibitor shall be solely responsible for any loss, injury or damage done to or occasioned by him/her, or arising from any animal or article exhibited by him/her. Exhibitors and parents agree to hold blameless the State of Nevada; Nevada Junior Livestock Show Board; Nevada Junior Livestock Show Board Representatives; Reno Livestock Events Center; Board of Regents, University and Community College System of Nevada; University of Nevada, Reno; University of Nevada Cooperative Extension (UNCE); UNCE Personnel; 4-H Leaders; FFA Advisors and other persons involved in the Show in case of accident or injury of any nature to the exhibitor or any loss or damage that may occur to their property or livestock.

### Conduct and Supervision of Exhibitors:

DOGS ARE NOT ALLOWED ON THE NJLS DESIGNATED SHOW GROUNDS WITH THE EXCEPTION OF GUIDE DOGS, HEARING DOGS, HELPING DOGS, AND SERVICE ANIMALS AS THOSE TERMS ARE DEFINED IN NRS 426.075, 426.081, 426.083 AND 426.097.

Exhibitors are representatives of their FFA or 4-H organizations and expected to act in an appropriate manner. Misconduct of an exhibitor such as to reflect discredit on him/her, his/her chapter or club or the Show will be cause for disqualification and result in sending the exhibitor and his/her exhibit home. Conduct must consider safety for all in attendance. Conduct jeopardizing the safety of animals or people will subject the exhibitor to disqualification. Malicious damage to the Reno Livestock Events Center will also be considered just cause to send an exhibitor and exhibit home. In such cases, all awards will be withheld and future participation in the Nevada Junior Livestock Show will be at the discretion of the Board.

Not allowed at the Nevada Junior Livestock Show are items which can create a hazard on the grounds including, but not limited to: bicycles, skateboards, roller-skates, in-line skates, scooters and remote controlled or mechanical devices.

Any use of alcohol or illegal drugs is grounds for immediate disqualification and expulsion from the Show and Sale. Exhibits and exhibitors will be sent home and forfeit all rights to any awards or prizes.

WHILE AT THE SHOW, ALL EXHIBITORS MUST BE RESPONSIBLE TO AND CHAPERONED BY THEIR RESPECTIVE ADVISORS, LEADERS AND/OR PARENTS. ALL EXHIBITORS MUST BE UNDER THE SUPERVISION OF AN ADULT CHAPERONE AT ALL TIMES AND NOT LEFT IN THE CARE OF SHOW OFFICIALS.

**Exhibitors will comply with all reasonable requests made by Show Management.**

### Entries:

Entry in the Show is open only to persons up to and including 19 years of age and at least 9 years of age as of January 1st of the year exhibiting who are members in good standing and meet county eligibility requirements of a Nevada 4-H Club or FFA Chapter. All 4-H and FFA members in Nevada are eligible. Each exhibitor must designate on the entry form if the animal is entered in the Market, Feeder, or Breeding Show.

All Market animals entered in the Nevada Junior Livestock Show must be sold through the Nevada Junior Livestock Show Auction, provided they are of blue or red ribbon quality. Exhibitors may show and sell one Market animal.

4-H and FFA members of Inyo, Mono, Nevada Lassen, Placer, El Dorado, Alpine, Plumas Modoc and Sierra Counties, CA will be allowed to exhibit at the Show. In order to participate in the Market animal show, any exhibitor from said California Counties must present a secured buyer contract and arrangement for payment prior to weigh-in. Minimum prices for these contracts are as follows: Beef \$1.50/lb, Lambs \$3.50/lb, Swine \$2.25/lb, Goat \$2.00/lb. Payment for animals sold by exhibitors from said California Counties is due at time of sale. Any exhibitor from Inyo, Mono, Nevada, Lassen, Placer, El Dorado, Alpine, Plumas, Modoc and Sierra County without payment in full will not be allowed to show.

The Board encourages county pre-shows where appropriate and applicable. When a pre-show is available animals **must** be exhibited at the county show where the exhibitor is enrolled in the 4-H or FFA program. Animals to be exhibited at the Show must be of blue or red ribbon quality as verified by the UNCE staff or FFA advisor, or an exhibitor may obtain special permission from Show Management. Market animal entries must list Nevada Junior Livestock Show tag number, breed, and birth date.

Both registered and unregistered Breeding animals are eligible to be exhibited, in listed classes. Exhibitors may enter two animals in each individual class (Breeding and Feeder classes only). Breeding animal entries must include: breed; individual identification number; name of animal; and birth date. If the animal is registered, the exhibitor must also list the registry number. Individual identification number for Breeding animals is required as acceptable per breed association. Exhibitors may show more than one species in the Breeding show.

A nonrefundable entry fee of five dollars (\$5.00) per head for all Breeding and Feeder animals and five dollars (\$5.00) per exhibitor in Market classes is due with the entry form on April 11. Any Market, Breeding or Feeder entries not accompanied by an entry fee will not be processed.

Exhibitors of all registered animals shall submit a certificate of registration from the respective breed association. The certificate of registration for the animal shall stand in the name of the individual unless accompanied by appropriate lease documents.

Joint Ownership is not allowed. Exhibitors must submit a copy of a bill of sale, proof of ownership or appropriate lease document verifying ownership by March 1 and attach a copy to the entry form due April 11 of the current show year. Appropriate lease documents must specify the exhibitor is solely responsible for the care of the animal by March 1 of the current year and the animal is genuinely the exhibitor's project.

Another 4-H or FFA member may assist in Breeding classes. The assistant must be in appropriate uniform.

The Judge and/or Show Management may disqualify any animal that is not sufficiently gentle to be shown with safety.

#### Making Entries:

Entries must be made on OFFICIAL ENTRY FORMS provided to UNCE Offices and FFA advisors as requested. A separate entry form must be submitted for each exhibitor. Entries must be certified properly by the UNCE staff, agricultural instructor or their representative and received in the Board office (Nevada Junior Livestock Show Board, P.O. Box 8026, Reno, Nevada 89507) by April 11th. Because this deadline is before county shows, participants may list two Market entries (one for each animal ear tagged) and within two days of the conclusion of their county show, notify the Board office of any white ribbon animals.

A Market animal not weighed-in will be scratched from the class list.

A nonrefundable entry fee of five dollars (\$5.00) per head for all Breeding and Feeder animals and five dollars (\$5.00) per exhibitor in Market classes is due with the entry form on April 11. Any Market, Breeding or Feeder entries not accompanied by an entry fee will not be processed.

Board/Show staff will automatically enter 4-H Clubs, FFA Chapters and individual counties in Herdsmanship.

#### Late Entry Policy

A \$25.00 late entry fee (in addition to normal entry fees) per exhibitor, per instance of submitting a late entry form or modifying an existing entry form will be assessed. No late entry form or modification will be accepted after the close of weigh-in as identified on the Show Schedule. This Rule does not apply to automatic entries or modifications based on existing Rules. The late entry fee is due with the entry form or at the time of modification; **any late entry form not accompanied by the late fee will not be processed.**

#### Limitation of Entries:

Show Management reserves the right to limit entries to the capacity of the facilities available.

Showmanship:

Showmanship is optional. **An exhibitor enters Showmanship by listing the appropriate Showmanship class** on the entry form. The exhibitor may enter only one animal per species in Showmanship. Only Market or female Breeding or Feeder animals owned and fitted by the exhibitor may be entered in Showmanship. Also, Market animals not making weight may show in Showmanship. No uncastrated male animals are allowed in Showmanship classes.

#### Market Show:

An exhibitor may list two Market animals on their entry form, regardless of species. However, an exhibitor is limited to weigh-in only one Market animal (one lamb OR one pig OR one steer OR one goat for the Market Show and Sale). One Market animal per exhibitor that does not make weight at the scale may enter that species' Feeder Show (see Feeder Show). This rule need not apply to the county show.

A nonrefundable entry fee of five dollars (\$5.00) per exhibitor for Market classes is due with the entry form on April 11. Any Market class exhibitor entry not accompanied by an entry fee will not be processed.

#### Breeding Show:

The Breeding Show is open to Beef, Sheep, Swine and Goat breeding animals as listed in the class offerings in these Rules. The same animal **cannot** be shown in both Breeding and Market classes. Exhibitors are limited to making two entries per Breeding class.

A nonrefundable entry fee of five dollars (\$5.00) per head for all Breeding animals is due with the entry form on April 11. Any Breeding entries not accompanied by an entry fee will not be processed.

#### Feeder Show:

The Show is open to Beef, Sheep, Swine and Goat Feeder animals as noted under the weight qualifications per species. Exhibitors may enter up to two animals per class. A nonrefundable entry fee of five dollars (\$5.00) per head is due with the entry form on April 11. One Market animal per exhibitor that does not make weight at the scale may enter that species' Feeder show. The exhibitor has one hour from the close of weigh-in to submit a revised entry form (moving the animal from Market to Feeder class) to the Show Office. There will be NO EXCEPTIONS. Any entries received without payment will not be processed. There is no sale provision for animals in Feeder classes at the Show.

#### Ownership Dates:

##### Market Animals:

Steers: December 1st of the year preceding the show.

Lambs: March 1st of the year exhibiting.

Swine: March 1st of the year exhibiting.

Goat: March 1st of the year exhibiting.

##### Breeding Animals:

Joint ownership is not allowed. Exhibitors must submit a copy of a bill of sale, proof of ownership or appropriate lease document, verifying ownership by March 1, and attach a copy to the entry form due April 11 of the current show year.

Appropriate lease documents must specify that the exhibitor is solely responsible for the care of the animal by March 1 of the current year and the animal is genuinely the exhibitor's project.

No animal substitutions are allowed.

A nonrefundable entry fee of five dollars (\$5.00) per head for all Breeding animals is due with the entry form on April 11. Any Breeding entries not accompanied by an entry fee will not be processed.

### Ear Tagging:

All Market animals are required to be ear tagged **within the two weeks before the ownership date**. The Board will provide ear tags for each county upon request. There is a \$1.00 per tag fee, with an additional \$5.00 per order charged for shipping and handling.

One Market animal and one back up Market animal, regardless of species, may be selected for ear tagging. The back up animal may be a family backup for any youth in the family. The purpose of a family backup animal is to allow a family to have one backup animal if each youth does not wish to have a backup animal of his/her own. **If an ear tag is lost the Board Office must be notified immediately.**

An ownership record for each Market animal tagged must be submitted by the UNCE Office or FFA Advisor to the Board office within one (1) month of the ownership date. This ownership record will list each exhibitor, ear tag number for each animal, sex of animal, breed of animal and description.

### Arrival and Weighing-In of Entries:

All entries must arrive within the time limits listed on the Show Schedule. Late arrivals will be disqualified unless proof of an extenuating circumstance is accepted by Show Management. Exhibitors must present a Certificate of Veterinary Inspection for all animals, issued within 30 days of the Show, prior to unloading and admission to the Show grounds. This certificate must be in compliance with all current Nevada Department of Agriculture Health Requirements, the State of Nevada Swine Pseudorabies Eradication Program and State of Nevada/National Scrapie Eradication Program. A veterinarian on the premises will verify each Certificate of Veterinary Inspection as animal(s) enter the Show Grounds. Animal(s) must be in the weigh-in line within 30 minutes of this veterinary inspection.

Blankets will not be allowed on Market animals during weigh-in. Show Management will make every effort to achieve accurate weights. Scales are inspected officially within two weeks of the Show by a representative of the State Division of Weights and Measures. Exhibitors or their representative are encouraged to watch carefully when their animals are weighed and the weights recorded. If questions arise over the weight of an animal, that animal will be taken off the scale, the scale checked and balanced, and the animal reweighed immediately.

The animal in question **CANNOT** leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight is considered official.

Market animals that do not make weight requirements at weigh-in may not compete in Market classes or Breeding classes. They may be used by the exhibitor in Showmanship. One Market animal per exhibitor that does not make weight at the scale may enter that species' Feeder show. That exhibitor has one hour from the close of weigh-in to submit a revised entry form (moving the animal from Market to Feeder class) to the Show Office.

### Release of Entries:

Release time for each species will be specified by Show Management. The animal may not be withdrawn from competition without the consent of Show Management. No animal is allowed to leave prior to the specified release time.

### Market Weight Qualifications:

#### Market Animals:

Steers:	1000 - 1300 lbs.
Lambs:	105 - 140 lbs.
Swine:	210 - 260 lbs.
Goats:	75 - 115 lbs.

**The NJLS Rules Committee has suggested the minimum Market weight for Market Goats be raised to 80 pounds in 2007 and increase the maximum payout to 120 pounds.**

To be eligible to show, weights of Market animals must meet the minimum weight requirements as specified. Animals not meeting this minimum weight will not be allowed to show in Market classes or to sell; however that animal may be used by the exhibitor in Showmanship or moved to the Feeder class (see Feeder Show). Market animals exceeding the weight limit will be sold at the maximum weight limit with the extra poundage donated to the buyer by the exhibitor.

The intention of the Board in allowing the entry of animals exceeding the maximum weight is not to encourage overweight animals. Rather, the purpose of the rule is to accommodate fast growing animals as it may be detrimental to the animal if held back to meet a maximum weight figure.

#### Health and Brand Inspection of Animals:

Exhibitors must present a Certificate of Veterinary Inspection for all Animals issued within 30 days of the Show prior to unloading and admission to the Show Grounds. This Certificate must be in compliance with all current Nevada Department of Agriculture Health requirements, the State of Nevada Swine Pseudorabies Eradication Program and State of Nevada/National Scrapie Eradication Program.

To be admitted, animals must show evidence of good health; no animal with communicable disease or unsightly condition shall be accepted. Lambs or goats with soremouth will not be allowed at the Show.

Show Management reserves the right to require health inspections and diagnostic tests to be made before or after animals are admitted to Show grounds. Show Management reserves the right to conduct or require to be conducted tests for illegal substances or for substances exceeding established tolerances. If an animal or carcass is found to have contained illegal substances or substances exceeding established tolerances, the Board and Show Management have the right to impose appropriate penalties including denial of monetary awards and recognition for Show associated Contests or Classes.

Brand Inspections are required for all animals crossing a state brand inspection district boundary line in accordance with Nevada Department of Agriculture Brand Inspection Laws.

The Board and Show Management will follow all Federal and State programs related to the transmission of zoonotic diseases, viruses or other maladies.

#### Castration:

All male Market animals exhibited at the Show must be properly castrated by the official ownership date for each species. The Russian Method for lamb castration will not be accepted.

#### Docking:

To qualify for exhibit after January 1, 1999, all sheep must be docked such that the tail (dock) can be lifted. Lambs that have been re-docked or have complete tail removal will not be eligible. Breeding animals born before January 1, 1999 are exempt.

#### Care of Exhibits during the Show:

All animals exhibited must be cared for and fed during and after the Show at the expense of the exhibitor until released by Show Management.

All livestock, pens and stall areas must be cleaned by 8:00 am and must be kept clean and neat for exhibit to the public until 6:00 pm each day of the Show. Water **may not** be dumped in high traffic areas. Each exhibitor must properly feed, fit, care for, exhibit and sell his/her own animal. Show Management reserves the right to excuse an exhibitor in an emergency situation or for reasons of impaired health.

To enter, Show animals must be properly cleaned, fitted and trained to be quiet and tractable in the ring. Animals not meeting these requirements may be disqualified and will not receive awards.

All animals must be exhibited in the designated show ring in order to be judged.

This show is for the youth exhibitor. Fitting and grooming (grooming includes washing) of animals by an adult without the joint participation of the exhibitor will not be allowed. Adult participation or supervision in fitting and grooming of an exhibitor's animal must be performed with the exhibitor present and in a "hands on" educational manner, not just watching (example: adult hands covering exhibitor's hand as the clippers are being used on the animal; adult helping the exhibitor put an animal on a sheep stand or in a block chute). Physical assistance may be rendered by another Show exhibitor. Adults may assist in a manner to keep exhibitors and/or animals safe. After a warning by Show Management to the exhibitor, a second violation will result in disqualification of that exhibitor.

Humane treatment of animals is expected. Any abuse of an animal is grounds for immediate disqualification and expulsion from the Show and forfeiture of all awards.

Both neck ropes and halters are required for all beef animals while tied in stalls.

#### Dress Requirements:

To enter the Show exhibitors must be neat, clean and dressed in the minimum requirement of the official uniform of his/her organization. Minimum requirement for FFA member is dress shirt; tie/scarf; FFA jacket; and clean, neat trousers. Minimum requirement for 4-H members is a collared, white shirt; 4-H green tie/scarf; and clean, neat trousers. 4-H hats and jackets are optional. Boots or firm-toed shoes are mandatory for showing beef and recommended for sheep, goats and swine for safety reasons.

#### Fitting Contests:

Please see Addendums regarding requirements for Beef and Sheep Fitting contests. Generators and/or flammable liquids or products are not allowed in any enclosed area or near flammable materials and must be operated according to standard safety guidelines. The Board reserves the right to disallow the use of generators if such use is deemed dangerous to humans, animals or property.

#### Carcass Information:

All Market animals will be eligible for Carcass of Merit Recognition. Carcass evaluation will be conducted according to Carcass of Merit Recognition standards. Carcass of Merit Recognition carcass information will be available to the public after Carcass of Merit Recognition results have been distributed.

Carcass of Merit Recognition will be contingent on the ability to collect data. Data will be collected based on access to carcasses.

#### Use of Pharmaceuticals, Biologics and Chemicals:

During the Show, in the case of Market animals requiring treatment, all medication and treatment shall be administered by or under the direction of a licensed veterinarian and Show Management shall be notified. Treatment will be at the expense of the exhibitor.

Entry into the Show signifies compliance with all pharmaceutical, biologic and chemical withdrawal regulations. Before administering any products, consult with a veterinarian and follow label directions.

The United States Department of Agriculture Wholesome Meat Act applies to the sale of Market livestock sold during the Nevada Junior Livestock Show and Sale as follows:

- a. The use by non-veterinarians of animal drugs or other substances in any manner other than in accordance with the labeling approved by the FDA is a violation of Federal law.
- b. Any food animal must not exceed FDA/EPA/USDA/FSIS established tolerance for any foreign substance including drugs, pesticides, feed additives, or other chemicals.
- c. Violative results of residue testing are subject to investigation by USDA and FDA for prosecution.
- d. Any misrepresentation of a food animal that can potentially affect the acceptability of the carcass or milk will be considered fraud.

Show Management reserves the right to conduct or require to be conducted test on any animal for illegal substances or for substances exceeding established tolerances. If an animal or carcass is found to have contained illegal substances or substances exceeding established tolerances, the Board and Show Management have the right to impose appropriate penalties including denial of monetary awards and recognition for Show associated contest or classes.

**If a carcass is condemned for any of the above reasons the exhibitor forfeits all rights to the sale proceeds.**

**If a carcass is condemned for any other reason the exhibitor must pay back the resale value of the animal, if requested by the buyer.**

## JUDGES AND JUDGING

### Judges:

Judges are selected for each species of livestock with the utmost care and, whenever possible, from persons of wide reputation. Judges are encouraged to give their reasons for decisions rendered. The object is to assist in the education of livestock producers concerning what constitutes a high quality animal. In order to familiarize Judges with Show rules, rule books will be mailed to Judges at least 2 weeks prior to the Show. Judges for the Show cannot officiate at county qualifying shows, clinics or demonstrations the same year. Recommendations for Judges can be made to the NJLS Board at anytime and will be kept on file for future reference.

### Behavior toward Judges and Judging:

No person shall be allowed, under any circumstances, to interfere with the Judges during their adjudication or to offer any criticism of any exhibit. Any person, who attempts to interfere with the Judges in any such manner, whether verbally or otherwise, shall be excluded immediately from the judging ring and from competition. If it is ascertained that an exhibitor has in any impolite and public manner taken exception to the finding of the Judges, the Board shall cancel all awards to said exhibitor and shall exclude him/her from further participation in the Show. Show Management reserves the right to remove any and all exhibits of such an exhibitor from the Show without being liable for any compensation.

An exhibitor may be required to explain the merits of his/her own display, exhibit or animal during its examination by the Judge, if so requested by the Judge.

Each exhibitor must show and sell his/her own Market animal. All animals must be shown in accordance to the Show Schedule. An exhibitor may be disqualified for failure to bring an animal into the ring at the appropriate time. If schedule conflicts arise, an exhibitor may make arrangements for another 4-H or FFA member to assist him/her in showing Breeding animals. All youth must be in appropriate uniform for the show ring.

## AWARDS, PREMIUMS AND GENERAL CONTESTS

### Awards and Premiums:

#### Market Show:

All Market animals are placed using the Danish System of judging. According to Judges' decisions, in all classes, groups 1A or 1B will receive blue ribbons; those placed in groups 2A or 2B, will receive red ribbons; and those in group 3, white ribbons. (See Beef, Lamb, Goat and Swine Rules for factors used in placing). White ribbon animals will not be allowed to sell.

In addition to the Danish System placing, at least the first and second place winners will be chosen in each class. Champion and Reserve Champion Steer, Swine, Goat or Lamb of the Show will be chosen from the top two animals of each weight group.

## Breeding Show:

The American System of Judging will be used for breeding classes. Ribbons will be awarded to eight (8) places. Animals will be judged against breed standards and merits within the breed.

Classes may be combined or divided as numbers warrant at the discretion of the Judge and/or Show Management. A minimum of five (5) head is required for a separate class to be held.

All animals including Pairs and County Groups must be brought to the show ring to be judged.

Animals chosen first and second in their individual classes are eligible to compete for Champion and Reserve Champion.

## Showmanship Contest:

Showmanship classes will be placed using the Danish System of Judging. In addition to the Danish placing the American System of Judging will be utilized.

Since Showmanship rules are the same for beef, sheep, swine and goat; they are given here.

- a. Eligibility: Showmanship is optional. An Exhibitor enters Showmanship by listing the appropriate class on the entry form. The exhibitor may enter only one animal per species. Only Market, Feeder or female Breeding animals owned and fitted by the exhibitor may be entered in Showmanship. Also, Market animals not making weight requirements may show in Showmanship. No uncastrated males are allowed in Showmanship classes. All animals participating in a Showmanship class must have been exhibited by the same exhibitor in a Market, Breeding or Feeder Class in that same year's Show. Halters on sheep cannot be used in Showmanship classes.

Senior Division: Includes any exhibitor 14 years or older as of January 1st of the year exhibiting.

Intermediate Division: Includes any exhibitor 11, 12 or 13 years of age as of January 1st of the year exhibiting.

Junior Division: Includes any exhibitor 9 or 10 years of age as of January 1st of the year exhibiting.

With permission of the local leader and UNCE Staff or FFA advisor, an exhibitor may show in the next advanced Showmanship class because of experience. However, once they have moved to the more advanced level, they may not move back down.

- b. Placing: Since all Showmanship requirements are approximately the same, the following is printed as a guide. It must be emphasized this is only a guide, and all Judges will not put the same emphasis in each point. Judges will vary the emphasis depending upon the class, competition, etc.

Fitting: Condition, quality, firmness and uniformity of finish	10%
Grooming: Clean, trimmed, brushed, blocked, feet trimmed, etc.	20%
Showmanship:	<u>70%</u>
	100%

## Round Robin Showmanship

Round Robin Showmanship will be made up of the 1<sup>st</sup> and 2<sup>nd</sup> place showman in each age group in each species. A youth, awarded 1<sup>st</sup> or 2<sup>nd</sup> place showman in their Showmanship class, must confirm at the end of that class their intention to participate in Round Robin Showmanship. Should the 1<sup>st</sup> and/or 2<sup>nd</sup> place showman fail to confirm this intention, the opportunity to participate in Round Robin Showmanship will be given to the 3<sup>rd</sup> and then 4<sup>th</sup> place showman in that class.

## Herdsmanship:

An award will be presented for each species to the county or club group deemed the top herdsman by the Herdsmanship Committee. A herdsman score card with guidelines for judging will be utilized by the Judges. Exhibits will be evaluated at various times during the Show to determine winners.

Board/Show staff will automatically enter 4-H Clubs, FFA Chapters and individual counties in Herdsmanship.

All exhibitors, whether entered in the contest or not, are required to keep the area occupied by their exhibits and surrounding areas neat and attractive in appearance. The stalls, pens and exhibition places must be cleaned before 8:00 a.m. each day of the show and all refuse disposed of properly.

### Placing will be scored as follows:

## Home-Produced (Steer, Lamb, Swine or Goat): Market Only

Open to all exhibitors who fed home-produced Market animals for the Market Show. To qualify as a home-produced animal, the dam must be owned by the exhibitor or his/her parents or guardian prior to birth of the animal. Home-produced animals must be born on the farm or ranch on which they are raised. (Certification must be by a local leader and/or parents or guardians who are in the best position to know the situation). The winner is chosen by the Judge of the Show.

### Additional Awards:

Breed awards may be given for each species for the best animal of a given breed that receives a blue ribbon.

## BEEF SHOW RULES

### Ownership:

#### Market Steers:

In order to enter the current Show, an exhibitor must have owned the beef steer to be exhibited by December 1st of the preceding year. Members are encouraged to select their projects early under the direction and recommendation of their leaders.

A nonrefundable entry fee of five dollars (\$5.00) per exhibitor for Market classes is due with the entry form on April 11. Any Market class exhibitor entry not accompanied by an entry fee will not be processed.

#### Breeding:

Joint ownership is not allowed. Exhibitors must submit a copy of a bill of sale, proof of ownership or appropriate lease document, verifying ownership by March 1, and attach a copy to the entry form due April 11 of the current show year.

Appropriate lease documents must specify the exhibitor is solely responsible for the care of the animal by March 1 of the current year and the animal is genuinely the exhibitor's project.

A nonrefundable entry fee of five dollars (\$5.00) per head for all Breeding and Feeder animals is due with the entry form on April 11. Any Breeding or Feeder entries not accompanied by an entry fee will not be processed.

#### Feeder Show:

The Show is open to Feeder steers as noted under the weight qualifications. Exhibitors may enter up to two animals per class. A nonrefundable entry fee of five dollars (\$5.00) per head is due with the entry form on April 11. Any entries received without payment will not be processed. One Market animal per exhibitor that does not make weight at the scale may enter the Feeder show. That exhibitor has one hour from the close of weighing to submit a revised entry form (moving the animal from Market to Feeder class and designating which two animals will be shown in the Feeder class) to the Show Office. There will be NO EXCEPTIONS. There is no sale provision for animals in Feeder classes at NJLS.

### Proper Training of Animals Required:

All beef animals must be halter broken. Animals not sufficiently gentle to be shown with safety may be disqualified by the Judge or Show Management. Nose leads will not be used in steer or heifer classes.

Both neck ropes and halters are required for all beef animals while tied in stalls.

### Dehorning:

#### Market:

Steers must be properly dehorned or naturally polled to enter the Show.

#### Breeding:

Horned Breeding animals must have horns properly trained for health and safety purposes.

#### Feeder:

Steers must be properly dehorned or naturally polled to enter the Show.

### Fitting

Any product administered internally or used externally to alter the conformation of an animal for exhibition is prohibited. This includes the use of any artificial coloring or substance added to the animal's body, as well as any grooming material that allows color to come off the animal. (Artificial color is acceptable on knees and below.) Any false tail switches, tail fins or false polls will not be allowed.

### Placing of Beef:

#### Market:

Placing of steers will be based upon the Danish system of judging as follows:

##### Group 1. (Blue Ribbon)

- a. Animals grading USDA Low Choice or better, having above average conformation and showing indications of yield grades 3 or better.
- b. Young animals grading USDA High Select with superior conformation.

##### Group 2. (Red Ribbon)

- a. Animals grading Average Select or better with average or below conformation.
- b. Animals with average or above conformation and showing indications of yield grade 4 or better.

##### Group 3. (White Ribbon)

- a. Animals grading USDA Low Select or less.
- b. Animals in over fat condition indicating yield grade 5 with average or below average conformation.

White ribbon animals will not sell through the Sale.

#### Breeding and Feeder Classes:

The American System of Judging will be used for Breeding and Feeder animals. Ribbons will be awarded to eight (8) places. Animals will be Judged against breed standards and merits within the breed.

### Market Steer Weight Limits:

**Steers: 1000 - 1300 lbs.**

To qualify for entry in the Show, steers must have a minimum weight of 1000 lbs. Steers may exceed the upper weight of 1300 lbs. but will be sold at the 1300 lb. weight. **Exhibitors will donate any extra poundage above the 1300 lb. weight to the buyer.**

All steers must be **weighed on a certified scale by a designated county official**, certified and ear-tagged between **November 15th and December 1st** of the year preceding the Show with an adjustment factor of 2.5 lbs. per day to equate the weight to December 1st. There will be no pencil shrink. Each 4-H and FFA member may weigh-in their steers on one official weigh day only. Official weigh-in days will be determined by the UNCE Staff and/or FFA Advisor.

### Market Steer Show Grouping:

Weight groups will be based upon scale weight of the animal. The weights for each of the groups will be set at the discretion of the Show Management.

## SHEEP SHOW RULES

### Ownership:

#### Market:

In order to enter the current year's Show, the lamb to be exhibited must be owned by the exhibitor by March 1st of the year exhibiting.

A nonrefundable entry fee of five dollars (\$5.00) per exhibitor for Market classes is due with the entry form on April 11. Any Market class exhibitor entry not accompanied by an entry fee will not be processed.

#### Breeding:

Joint ownership is not allowed. Exhibitors must submit a copy of a bill of sale, proof of ownership or appropriate lease document, verifying ownership by March 1, and attach a copy to the entry form due April 11 of the current show year.

Appropriate lease documents must specify the exhibitor is solely responsible for the care of the animal by March 1 of the current year and the animal is genuinely the exhibitor's project.

A nonrefundable entry fee of five dollars (\$5.00) per head for all Breeding animals is due with the entry form on April 11. Any Breeding or Feeder entries not accompanied by an entry fee will not be processed.

#### Feeder Show:

The Show is open to Feeder sheep as noted under the weight qualifications. Exhibitors may enter up to two animals per class. A nonrefundable entry fee of five dollars (\$5.00) per head is due with the entry form on April 11. Any entries received without payment will not be processed. One Market animal per exhibitor that does not make weight at the scale may enter the Feeder show. That exhibitor has one hour from the close of weigh-in to submit a revised entry form (moving the animal from Market to Feeder class and designating which two animals will be shown in the Feeder class) to the Show Office. There will be NO EXCEPTIONS. There is no sale provision for animals in Feeder classes at NJLS.

### Wool Length:

All Market lambs must be slick shorn from the knee and hock up before the official weigh-in date of the Show. Fleece not to exceed 0.25 inch stretched wool length. Fleece must be uniform over entire body. Wool will be measured prior to weighing; lambs with excess wool will not be weighed or accepted into the Show until shorn to meet the satisfaction of Show Management. There is no fleece requirement for Breeding sheep. Fleece on Breeding sheep should be at a length appropriate for its breed.

### Docking:

To qualify for exhibit after January 1, 1999, all sheep must be docked such that the tail (dock) can be lifted. Lambs that have been re-docked or have complete tail removal will not be eligible. Breeding animals born before January 1, 1999 are exempt.

### Placing of Sheep:

#### Market:

Placing of Lambs will be based upon the Danish System of judging as follows:

#### Group 1. (Blue Ribbon):

- a. Animals grading USDA Low Choice or better, having above average conformation and showing indications of yielding a high percentage of lean to fat.

#### Group 2. (Red Ribbon);

- a. Animals grading USDA Choice, having average or below conformation.
- b. Animals grading USDA Choice, but having either more or less than desirable finish.

#### Group 3. (White Ribbon):

- a. Animals grading USDA Good.
- b. Over fat animals indicating a yield grade 5.

White ribbon animals will not sell through the Sale.

#### Breeding and Feeder Classes:

The American System of Judging will be used for Breeding and Feeder animals. Ribbons will be awarded to eight (8) places. Animals will be Judged against breed standards and merits within the breed. Fleece on Breeding animals should be at a length appropriate for its breed.

### Market Lamb Weight Limits:

**Lambs: 105 - 140 lbs.**

To qualify for entry in the Show, lambs must have a minimum weight of 105 lbs. Lambs may exceed the upper weight limit of 140 lbs. but will be sold at the 140 lb. weight. **Exhibitors will donate any extra poundage above the 140 lb. limit to the buyer.**

All lambs must be weighed on a **certified scale by a designated county official**, certified and ear-tagged between **February 15th and March 1st** of the year of the Show with an adjustment factor of 0.7 lb. per day to equate the weight

to March 1st. There will be no pencil shrink. Each 4-H and FFA member may weigh-in their lambs on one official weigh day only. Official weigh-in days will be determined by the UNCE Staff and/or FFA Advisor.

#### Market Lamb Show Grouping:

Weight groups will be based upon scale weight of the animal. The weights for each of the groups will be set at the discretion of the Show Management.

#### Ewe/Lamb Age Requirement

No ewes with lambs under 30 days of age will be allowed to participate in NJLS.

## LIVESTOCK SALE RULES

Livestock Sale:

The Sale is for Market animals ONLY.

Although not required to do so by statute, the Board sponsors a sale of exhibited Market livestock to the public as part of the Show. Sale rules are made and enforced by the Board as part of the Show Rules. The purpose of this part of the Show is to help exhibitors bring their projects to a financially successful close.

Exhibitors are encouraged to have contacted potential buyers and invite them to the Sale or to provide bids for their animals.

Eligibility to Sell:

To be eligible for the Sale, Market animals must have qualified under all rules of the Show, including weight limits, and must have been exhibited in a Market class of the Show.

Animals awarded a white ribbon or sifted for other reasons prior to the Sale will not be sold.

#### Swine:

An alternate means of identification will be applied when appropriate, by NJLSB or show management.

#### Obligation to Sell and Harvest:

All qualifying and healthy Market animals entered in the Show must be sold in the Nevada Junior Livestock Show Sale. All Market animals sold through the Sale must be harvested at a designated harvest plant and entered into Carcass Of Merit Recognition. An animal that does not enter the Sale ring in compliance with the Sale Order will be fined \$25.00, unless excused by the Show Management. It is the exhibitor's responsibility to be prepared to enter the Sale ring on time. Private Treaty Sales are not allowed.

#### Sale Order:

The order of the Sale will be determined by the Show Management. In general, blue ribbon Market animals will be sold starting with those placing highest in the Show followed by those placing progressively lower.

#### Commission:

A commission of seven percent of the sale price of each Market animal (Swine, Sheep and Goat) sold may be deducted and retained to cover expenses of the Board for the purpose of partially defraying the cost of operating the Show and Sale. A commission of six percent of the sale price of each Market animal (Beef) sold may be deducted and retained to cover expenses of the Board for the purpose of partially defraying the cost of operating the Show and Sale. A commission of one and one half percent of the sale price of each Market animal (Swine, Sheep and Goat) sold may be deducted and retained for the Carcass of Merit Recognition award fund. A commission of one percent of the sale price of each Market animal (Beef) sold may be deducted and retained for the Carcass of Merit Recognition award fund.

#### Registration of Buyers:

In order to assure that proper information is obtained; buyers and potential buyers **must** register for a buyer's number at the Sale. A number will be assigned to each individual purchaser/or potential purchaser regardless of the number of animals or partial animals bought.

#### Add-Ons:

The minimum add-on is **\$25.00**.

1. All add-ons must be between a registered buyer (who has a buyer's number) and a Sale participant on a signed and properly filled out Purchase Order or Sale Add-On Contract (available at the NJLSB Office or the NJLS Office). (A buyer only needs one buyer's numbers to bid during the Sale and to add-on). Purchase Orders/Sale Add-On Contracts will be available before and during the Show through the Sale. Purchase Orders/Sale Add-On Contracts completed before the Sale are strongly encouraged.
2. The NJLSB and Show Management will make every effort to announce add-ons completed before the Sale at the start of bidding on each exhibitor's animal.
3. During the Sale, **all** verbal add-ons **must** be bid on a specific exhibitor's animal before the sale of the next animal starts.

4. There will be a separate add-on table at the Sale. Individuals/business wishing to add on during (except as indicated in #3) or after the Sale **must** go to this table. Buyer's numbers and Purchase Orders/Sale Add-On Contracts will be available at the add-on table. **Add-ons made during (except as indicated in #3) or after the Sale will not be announced during the Sale;** the NJLSB and Show Management will make every effort to display them. Add-ons will be accepted at the add-on table up to 1/2 hr. after the Sale. Add-ons will not be accepted in the NJLS Office during or after the Sale. Add-ons will not be processed without a properly filled out Purchase Order/Sale Add-On Contract.
5. Add-ons will be billed to the individual/business in a similar manner as the purchase of a NJLS animal. Add-on recipients will receive their add-on with payment for sale of their animal.

***If you have any questions about add-ons ask Show Management, Species Superintendents, Asst. Superintendents or Show staff. You are encouraged to ask questions before the Sale. It is the individual's/business's/buyer's responsibility to understand Add-On Rules.***

#### Payment for Animals Purchased:

Buyers are encouraged to pay for their animals at the Sale. Invoices will be mailed to buyers who are not able to pay at the Sale. Payment is due 30 days from the date of Sale. Use of credit cards will be provided for buyers' convenience. Any invoice not paid 60 days after the date of the Sale shall be charged a finance charge of 1.5% monthly until the account is satisfied. All legal options will be reserved to collect on delinquent accounts. Any attorney's fees and costs associated with collection are awardable.

#### Terminal Sale

THE NEVADA JUNIOR LIVESTOCK SHOW'S SALE IS A TERMINAL SALE. ALL MARKET ANIMALS SOLD THROUGH THE SALE MUST BE HARVESTED AND ENTERED IN CARCASS OF MERIT RECOGNITION (OR A CARCASS EVALUATION AS DESIGNATED BY THE NJLSB AND SHOW MANAGEMENT). NO LIVE PICK UP OF MARKET ANIMALS SOLD THROUGH THE SALE WILL BE ALLOWED.

### BEEF SHOW CLASSES

## **ADDENDUM**

### **ACHIEVEMENT IN RECORD KEEPING CONTEST**

This contest is designed to teach 4-H and FFA members the value of complete and accurate records of their projects. County contestants are determined by the UNCE/4-H staff and FFA advisors. The original and three Xerox copies of the record book must be submitted to the NJLS office by 8:00 a.m. April 25 of the year of the show.

1. The award will be the next year's Show Market project animal or financing towards the purchase of a Show Market project animal. (Beef, Sheep, Swine or Goat). The award animal must be exhibited and sold at the next NJLS Show.
2. The Contest is open to one entry from each county participating in the Show in each project area (Beef, Sheep, Swine and Goat). The Contest is open to Intermediate and Senior age contestants only.
3. Contestants must be entered in the current year's Show. The record book submitted must be for the one Market animal entered in the Show. Contestants may enter his/her current year's project record in the species he/she desires as an award, regardless if that is his/her current project (swine or sheep record books may enter beef contest, etc.)
4. Once a youth has received one of the species awards, he/she may not apply for the same award again.
5. The award recipient, their parent or guardian and a Board representative will sign an agreement outlining responsibilities relative to this award.

**Selection Criteria:** If the record book submitted does not comply with these criteria, it will not be eligible for judging. A Table of Contents must be included. Each section must be identified by an index tab.

#### **60% Completeness and Neatness of Records**

##### **Budget**

To be developed at the beginning of the project as an estimate of project income and expenses

##### **Weight and Gain Information**

Actual gain record of the animal and estimated final Show weight. Including average daily gain from at least the initial weigh in date (December 1<sup>st</sup> for Beef, March 1<sup>st</sup> for Lamb, Swine and Goat). May include gain from birth or actual ownership date.

##### **Feed Information**

Including ration formulation, amounts fed and feed conversion

##### **Health Record**

All health practices and treatments including pertinent withdrawal information, method of administration and costs

##### **Inventory of Supplies, Facilities and Equipment**

Beginning and Ending Inventories

##### **Labor**

Hours spent on this project animal

**Statement of Profit or Loss**

May use estimated final weight and sale price information.

**10% Story and Pictures**

Story of approximately 300 words on details of this project. The story must be typed or computer generated. Pictures are required, however, no layering is allowed and no more than three pages with pictures on one side only.

**30% Personal Interview**

This interview will concentrate on the contents of the record book, the applicant's knowledge of the project and their ability to explain their record book.

An evaluation will be given to each applicant to improve their knowledge and skills.

## ADDENDUM

### YOUTH ADVISORY COUNCIL

The Nevada Junior Livestock Show Board established a Youth Advisory Council in 1990. The Council is comprised of exhibitors at the current Nevada Junior Livestock Show. Past Councils have provided valuable input that has been incorporated into planning of future NJLS Shows.

*The Show Board has two main objectives in forming this Council. They are:*

- To provide leadership opportunities for youth
- To obtain pertinent input from Show participants

*Responsibilities of the Council include:*

- Public Relations
- Serving as a liaison for exhibitors, the Show Board and other interested parties
- Developing a written report for the Show Board to be presented at the July Board meeting
- Serving as representatives of all exhibitors
- Serving on the Grievance committee
- Awards Presentation/Parade of Champions
- Lunch and refreshment hosts and servers
- Meeting on a daily basis during the show
- Assisting with show operations
- Actively assist with sale operations

Past Councils were instrumental in its organization and development. The intent of the Show Board is that this Council will be of and for the youth involved in the Nevada Junior Livestock Show. The youth will be the determining factors as to the direction and functions of the Council.

Each year, a member of the Youth Advisory Council or the Adult Advisor is to serve on the Grievance Committee. The Youth Advisory Council is to provide a written report to the Board following the Show and Sale.

*Requirements for application are as follows:*

- Must be exhibiting at the current year's Show
- Must have participated in at least one previous Nevada Junior Livestock Show
- Council members will serve a one year term
- A maximum of two (2) youth per county participating may serve on the Council
- Council members may be from 4-H and/or FFA
- Council members must be willing and able to meet on a daily basis during the Show and if possible prior to the Show

*County selection of members:*

Members must be selected by April 1.

Each County will select two Youth Advisory Council Members (4-H and/or FFA).

Each County may select up to 4 Alternates.

If all Counties do not send council members the alternates will be invited to fill the vacancies.

## ADDENDUM

### JERRY HANSEN MEMORIAL RATE OF GAIN CONTEST

During 1993 Jerry Hansen, the co-owner and publisher of the Nevada Rancher, succumbed to leukemia. Jerry was a tremendous supporter of youth with livestock interests. He could be depended on to support and promote youth activities throughout Nevada. Donations have been received to establish a Jerry Hansen Memorial Award at the Nevada Junior Livestock Show. A new contest that would encourage the youth participants to learn more about livestock production was deemed appropriate by the Board. Hence beginning in 1994 the Board established an Average Daily Gain Contest for each species exhibited at the NJLS. This contest is designed to enhance the educational value of the program and encourage production standards that would be a positive learning experience for the young people. Rate of Gain is a very important measurement in the industry of livestock production. Participants in this program should understand how Rate of Gain is measured and why it is important.

#### Contest Outline:

Market animals only.

Monetary or saving bond awards will be presented for each species based on award donations.

All four species will be included.

Any participants in the Nevada Junior Livestock Show who provide the necessary information will be included in this Contest.

Necessary information that must be provided on the species eligibility form:

Birth date

Date of Certification

Initial weight:

- A) Steers must be weighed between Nov. 15 and Dec. 1 with an adjustment factor of 2.5 lbs. per day to equate the weight to Dec. 1.
- B) Lambs must be weighed between Feb. 15 and March 1 with an adjustment factor of 0.7 lb. per day to equate the weight to March 1.
- C) Swine must be weighed between Feb. 15 and March 1 with an adjustment factor of 1.5 lb. per day to equate the weight to March 1.
- D) Goats must be weighed between Feb. 15 and March 1 with an adjustment factor of 0.3 lb. per day to equate the weight to March 1.

Beginning certification weight and weight taken at the Show will be used for official beginning and final weight.

All white ribbon animals are ineligible.

Weight per day of age will be used as a tie breaker.

Official weigh-in days will be determined by the UNCE/4-H Staff and/or FFA Advisor.

### **NECROPSY POLICY**

To: Harvest facilities for NJLS Sale

From: Nevada Junior Livestock Show Board

Re: Pre Slaughter Condemnation and Accidental Death of Sale Animals

Because animals that die prior to harvest or are removed from the harvest process due to antemortem inspection are not routinely necropsied by USDA, no cause of death is available to the Board. The State Veterinarian's Office has offered to provide necropsy services should such an event occur in the future. The Board will make any necessary arrangements with the State Veterinarian for necropsy and disposal.

Prior to harvest time a list of phone numbers of Board Members will be provided. We hope that this will help to simplify any problems that may arise.
